MDF EDGE PROFILES

All four sides will be edged the same unless otherwise specified

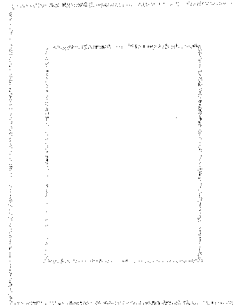

Edge Profiles A-E, E, G, and D not available in vinyl.

Edge Profiles beginning with the letter A (A-D, A-E, etc.,) cannot be drilled for Standard Euro Hinge with any product.

Edge Profile G - due to back bevel, it is suitable as finger pull.

Finger pulls are available in 4" and full length at \$2.00 each. Recommended offset from outer edge is 2". Specify edge and for 4" relative position on edge. Finger Pulls are not available in Vinyl.

A 3/8" (9.53 mm) rabbit on back of doors at \$6.00 per door. Not available in Vinyl.

Note: All profiles shown at 75% of original scale
